Arthroscopy Instruments

Suction punches with suction tube

- Easy cleaning due to detachable suction tube
- Clear cutting due to design
- Shaft 360° rotatable

SW0253-23

Suction punch complete,
2.7mm rotatable,
detachable

SW0253-24

Suction punch complete,
4.5mm rotatable,
detachable

Punch inserts only

SW0253-93

Punch insert only,
2.7mm

SW0253-94

Punch insert
only, 4.5mm

Arthroscopy Instruments

Cleaning wire

SW0253-99

Cleaning wire

Suction punches

SW0253-08

Suction punch, small, not detachable (Spoon Jaw)

SW0253-09

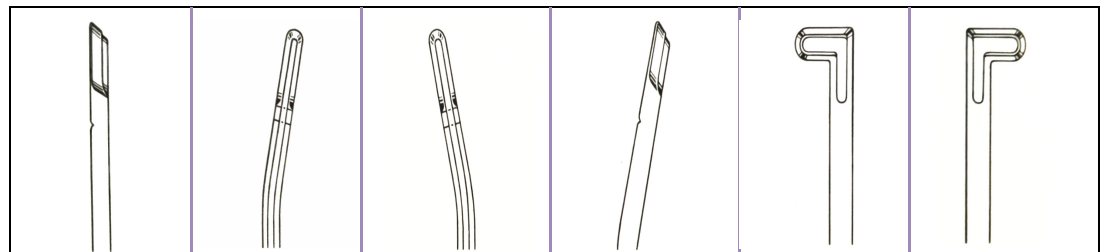

Suction punch, large, not detachable (Spoon Jaw)

Arthroscopy Instrument

Standard arthroscopy punches:

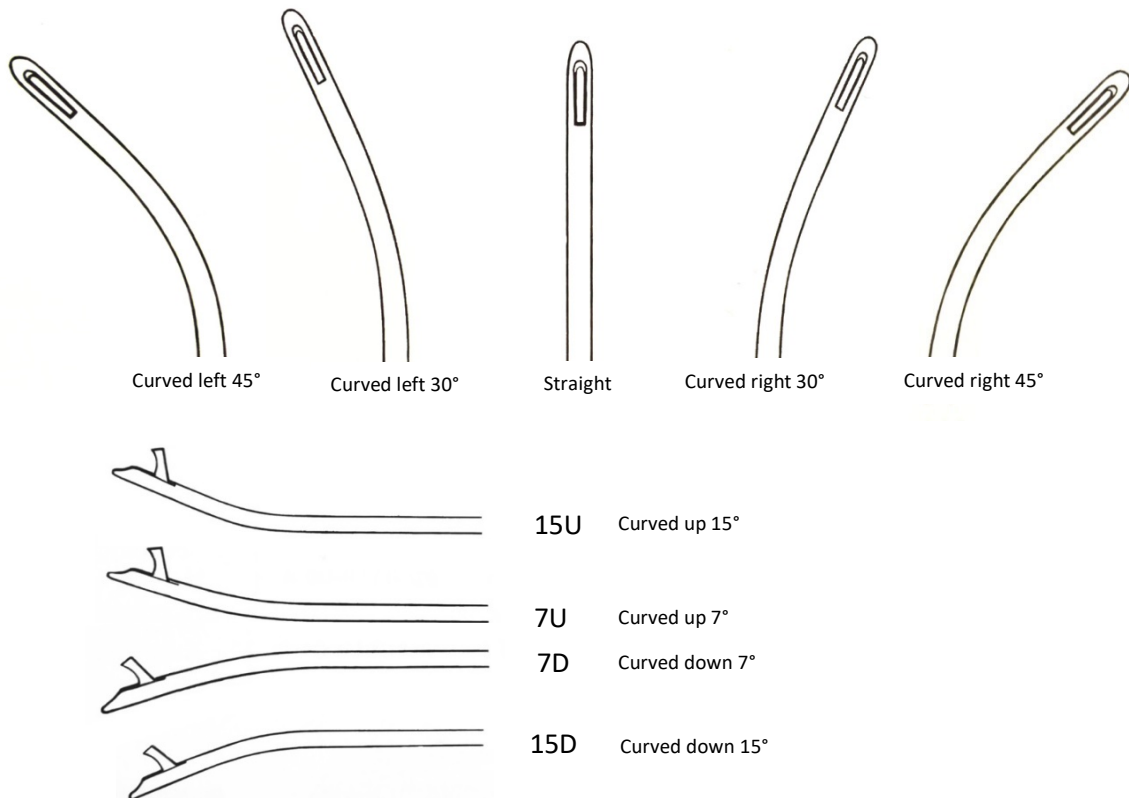

- Large cutting section
- Applicable as well under extreme condition
- Comfortable working due to finger support
