# Long Hysteroscope Set

Re-usable

## Celebrating 100 years of UK engineering

### Key Benefits:

- Ideal for bariatric use
- Sterilising basket protects & extends life of instruments
- Contains diagnostic & therapeutic set
- Minimises patient trauma
- Convenient and easy to use

This complete set will provide the instruments for both diagnostic and therapeutic procedures. The bespoke sterilising basket ensures maximum protection to extend the life of this set and to reduce expensive repair costs..

The extended length of this set will aid visualisation and examination of the uterine cavity, improving management of patient care and case lists.
